

ACH Automatic Tithe Request

This form is to request South Lansing Christian Church to automatically transfer your regular contribution electronically from your bank. This can be done on any requested frequency to meet your desires. Most members will either have the contribution pulled each week, or the day after their normal paycheck. Please fill in the information requested and return by email to finance@seekstudyserve.org or place it in an envelope in the offering plate marked ACH. An email with all the required information sent to the above email address will work. For security purposes, attach a voided check. Any requests can also be turned in at the church office. Please note that set up can take 4 to 10 business days and you will receive an email confirmation when it is set up. If it is necessary to suspend your contributions that can also take 4 to 10 business days.
