Where you come from does not determine where you'll end up.

- Share a little bit about your genealogy. Is there an especially interesting ancestor in your family line?

Read: 1 Chronicles 1:19; 2:3; and 2:7

- Each of these individuals or groups sinned, but the consequences were paid out differently. How so. And why?
- Is there any sin in your family's past that has affected you or your descendants?
- What are some of the reasons you've heard for people not giving to the church? How would you respond to those issues?

Scan: Take a moment to scan 1 Chronicles 4

- What do you find interesting about the people listed in this chapter?
- Is there any individual or group with which you identify? Why?

Read: 1 Chronicles 5:18-26

- What is the difference between the three tribes in verses 18-20 and the tribes listed in verses 23-26?
- Why do you think we continue to struggle with the same issues – being faithful to God – that our spiritual ancestors the Jews struggled with?

Prayer: Pray that God will help us to glorify Him through our obedience and right living.
