- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- Read John 14:6, Acts 4:11-12, Ephesians 2:11-13, and Isaiah 45:21-22.
- Do you believe Jesus is the only way? Why or why not?
- Would you say Christianity is exclusive? Why or why not?
- Do you believe that truth is subjective? Why or why not?
- Do the claims in the above passages regarding Jesus being the only way bring you discomfort or reassurance? Why or why not?
- Have you studied any other religions to know what they claim? Why or why not?
- In discussions, it can be helpful to understand why someone has the viewpoint that they do. Why do you think people take issue with Jesus being *the way*?
- How can we discuss or approach the topic of Jesus being the way with others who don't believe that He is the way?

Prayer: Pray that we hold true to our beliefs while addressing the areas where our faith and culture collide.
