

## Core Training

### God's Story (1.7.19)

**S** Scripture  
**O** Observation  
**A** Application  
**P** Prayer

**You turn the page for the next generation.**

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- As you begin the new year, this week will be about getting to know the people in your group better. What is your faith story? Take a moment to go around the room and share them with the others in your small group.

**Read:** Psalm 145:1-7

- What are some of the mighty ways you have seen God work in your life?
- What are some ways you can share the story of God's wonderful goodness in your life?
- Frank taught us on Sunday that each of us are responsible to "turn the page" of God's Story by sharing what God has done with the next generation. Who are some of the people in your life that you want to know about God?

**Prayer:** Spend some time praying for the people you talked about in the last question. Pray for each other to be courageous in sharing who God is and what He has done in your lives.
