

Different

Harmony (11.8.20)

S Scripture
O Observation
A Application
P Prayer

Christians should be different.

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- What makes you different from others?
- What does keeping the status quo mean to you?

Read: Philippians 1:27, 2:14-16, 4:1-3, Matthew 5:9, Romans 12:18, 14:13, 19

- We are told to conduct ourselves in a manner worthy of the gospel of Christ. What does that look like?
- Is there a difference between grumbling/complaining and expressing dislike of something? Why or why not?
- Frank presented the example of the church in Rome having arguments because of different opinions regarding their diet. What issues cause divides in our Church? How do we approach those topics?
- What does it mean to be a peacemaker? How do you make peace? How is being a peacemaker different from a peace keeper?
- Romans tells us to live at peace with everyone as much as it depends on us. Is there a difference between living at peace and not rocking the boat? Why or why not?

Prayer: Pray that you will make peace.
