

## Ephesians:

### The Power Within You (6.17.18)

- S Scripture
- O Observation
- A Application
- P Prayer

#### **Main Point: In Christ, we have been chosen.**

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- What is something you tried to help your parent do when you were a child?
- Why do we struggle to believe that God's power is available to us?

#### **Read: Ephesians 1:15-23.**

- What do you think the reputation of SLCC is? Why?
- How often do you pray for wisdom and revelation compared to other things? Why do you think your prayers are the way they are?
- What does hope mean to you? Do you live as one who has hope? Why or why not?
- Have you had something you were/are excited to inherit? How does it make you feel that the Church, and therefore you, are God's inheritance?
- What is your favorite example of God's power?
- What is the hope that you get from Jesus being seated above all earthly powers and domains?
- Why do we struggle to hold on to that hope when hardships come our way?
- How can you live in a way that shows you believe that God's power is available to you?

**Prayer:** Pray that you will open yourself up to God's power.
