**Before you jump into ministry you need to look in the mirror.**

**ICE BREAKER: How often would you say you check your appearance in the mirror?**

**Read: James 1:26-27**

- Why does James tie the words you say with the way you do ministry?

**Read: James 1:19-20**

- What is the difference between godly anger and human anger?
- What does James say should be the relationship between listening and talking? How does that lead to controlling anger?

**Read: James 1:21**

- What are some examples of “filth” that James refers to here?

**Read: James 1:22-25**

- Why are we so prone to listen to the word without actually doing what it says?
- What is the “payoff” for actually doing what the word says instead of merely hearing it and making no substantive change?

**Prayer:** Pray James 1:22. Ask God to help you do what the Word says!
