- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- How would you describe 'regret'?
- Share a time that you wish you could go back and change what happened, whether it was something you said or didn't say, or something you did or didn't do.
- Read Luke 15:11-24.
- What do you feel lead the son to the realization that he should go back to his father?
- Even though the father took the son back, do you think there were still consequences to the son's actions? Why or why not?
- What is the biggest obstacle for you in turning back towards God after going off on your own path for a time?
- Is it harder for you to ask for forgiveness when you've done something you regret or for you to forgive someone who asks you to forgive them? Why?
- Do you feel like there's a limit to how many times you can come back to God? Why or why not?
- Do you feel like there's anything you can do that is too much for you to come back to God? Why or why not?
- Have you found the Church to be a good place that encourages and welcomes people

Prayer: God, if you are real, make yourself real to me. Awaken me to the possibility that I can start over again.
