“Followers of Jesus give up their vocation.”

- Have you made any resolutions for 2023? How are they going for you?
- Typically, are you someone who gives up easily, or who sees things through?

Read: Matthew 4:18-20

- What do you think of Jesus’ call to these two men? Be honest: how would you have responded to it?

Read: Matthew 4:21-22

- When Peter and Andrew were called, they gave up the family business, stability, social expectations, and an income. What have you given up for Jesus?
- Are you familiar with the term “vocation?” How would you define it?

Read: Colossians 3:23-24 and discuss its implications with your group.

- What other Bible passages support your conclusions about these two verses?

Challenge: We’re challenging all of our people to read along with the church, using the plan available on the *Bible App*. All the details, as well as links to get connected to our plan are available at seekstudyserve.org/gospels. Please encourage your group to read along with you!

Pray: Pray for opportunities for your group members to live out their vocation as “disciple of Jesus,” in their workplaces this week.
