

Killing what's Killing You

Critical Spirit (2.16.20)

S Scripture
O Observation
A Application
P Prayer

Until I find someone who is right 100% of the time, I need to assume I'm not, either.

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- How do you respond to criticism? What works well for you? What works poorly?
- What is your typical approach to giving criticism?
- Does the way you give criticism change whether it is right or wrong to do so? Why or why not?

Read: John 10:10, Matthew 7:1-6.

- How can being critical keep you from living life to the fullest?
- Think about the last time you judged someone. What would it be like for you to be judged in that same way?
- What is the difference between the common saying that we shouldn't judge people and what Jesus lays out for the correct approach regarding judging?
- What do you feel like Jesus means in verse 6?
- What role does humility play in criticism, both in how we give and receive it?

Prayer: Pray that you look carefully at yourself before judging someone else.
