

Life Interrupted

Control is an Illusion (4.26.20)

S Scripture
O Observation
A Application
P Prayer

Even when life seems out of control, God is still in control.

- What are some minor interruptions that annoy you?
- What do you do when life seems out of control?

Read: 1 Samuel 21:1-9, 22:6-10, 23:1-4

- David ran when his life was in danger, instead of inquiring of God. How does David's approach in such an extreme situation inform how we should handle ourselves when our lives are interrupted?
- Was David wrong in what he did? Why or why not?
- What reminds you that God is in control?
- What is the difference between you being in control and God being in control?
- How have you been dealing with the interruptions that Covid-19 has brought to your life?
- How are you helping others during this period of interruption?

Prayer: Pray that in the middle of life spiraling out of control that you find peace in knowing that God is in control.
