(5.24.20)

S Scripture

P Prayer

God will use your interruption to form something beautiful out of the painful.

- What's one thing that stood out to you this week? Why do you think it grabbed you?
- What gives you peace?
- Where have you seen beauty come from pain in your life?
- What pain are you still hoping to see beauty come from?

Read: John 16:32-33

- Where and how have you found peace during this time of isolation?
- Have you felt like God has been with you through this? Why or why not?
- Jesus promises that we will have trouble in this world. Do you find comfort in this statement? Why or why not?
- Do you believe that Jesus has overcome the world? Do you live like he has? What, if anything, makes it difficult to believe that he has overcome the world?
- What is your plan for how to find peace in Jesus this week?

Prayer: Pray that you are able to find peace in Jesus.
