Peace – 12/21

**S** Scripture  
**O** Observation  
**A** Application  
**P** Prayer

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- How do you define peace? When was a time in your life that you experienced peace?
- In the times of peace in your life, what do you think created that peace?
- Read Luke 2:14 and Romans 5:1
- What do you think the cause of peace for people is according to these passages?
- Our world does not often seem peaceful, whether on a personal level or global level. Why do you think peace is such a rare or difficult thing to come by?
- What can you do to help create more peace?
- Is there a situation in your life that needs peace? If so, are you willing to share it so that your small group can pray for you?

**Prayer:** Pray that you will be a beacon of peace, especially during this hectic holiday season.
