

Red Sea Rules

Rule #1 – 6/28

- S** Scripture
- O** Observation
- A** Application
- P** Prayer

- What's one idea from the message or chapter that stood out to you? Why do you think it grabbed you?
- Did you read chapter 1 of Red Sea Rules? Why or why not?
- How are you doing with the summer reading challenge that has been provided?
- Read Exodus 14:1-2. Is there any wiggle room for whether or not God led the Israelites to the Red Sea? Why or why not?
- Why does God lead His people into tough situations?
- What is a challenge that you are currently facing? How are you currently reacting to that challenge?
- Rule #1 says, "Realize that God means for you to be where you are." How can embracing rule #1 impact how you are currently reacting to your challenge?
- If God means for us to be where we are, how does that work in situations where you, or someone else, puts you into a Red Sea situation due to bad choices that are made?

Prayer: Pray that we will embrace God's sovereignty and do our part to grow #summerstrong.
