

# Red Sea Rules

## Rule #2 – 7/5

- S** Scripture
- O** Observation
- A** Application
- P** Prayer

- What's one idea from the message or chapter that stood out to you? Why do you think it grabbed you?
- Have you read chapter 2 of Red Sea Rules? How are you doing reading through the book and following the summer reading plan provided?
- Read Exodus 14:3-4.
- Who does this passage say God is revealing Himself to?
- God states that the Egyptians, not the Israelites, will know that His is God because of what He will do at the Red Sea. How does this affect your view of struggles we have to endure?
- Is God's desire to gain glory for Himself motivated by narcissism, egomania, or neediness? Why or why not?
- Rule #2 states, "Be more concerned for God's glory than for your relief." Is there a challenge you are currently facing, or faced recently, that had you asking questions like "why me?"
- How can shifting your mindset to figuring out how to glorify God in your suffering change how you handle a hardship?
- How can you get your mindset to shift?

**Prayer:** Pray that we will search for how to glorify God in the hard times of life.
