

Red Sea Rules

Rule #5 – 7/26

- S** Scripture
- O** Observation
- A** Application
- P** Prayer

- What's one idea from the message or chapter that stood out to you? Why do you think it grabbed you?
- Have you read chapter 5 of Red Sea Rules? How are you doing reading through the book and following the summer reading plan provided?
- What are some of the characteristics or struggles of someone who is trying to control life's difficulties?
- Read Exodus 14:13-14.
- If you were among the Israelites, how do you think you would have responded to Moses?
- What are some examples you can recall in the Bible of people trying to control a situation, instead of waiting for God's timing?
- In your Red Sea event that you're connecting these rules to, what has been your response? Has it been more of panic and trying to control the situation, or has it been more of relying on God's timing?
- When you are feeling overwhelmed, who do you turn to?
- How do we move from trying to *control* a situation to *waiting* on God?

Prayer: Pray that you trust in God's timing and feel His peace when faced with difficulties.
