Rule #6 – 8/2

- S** Scripture
- O** Observation
- A** Application
- P** Prayer

- What's one idea from the message or chapter that stood out to you? Why do you think it grabbed you?
- Have you read chapter 6 of Red Sea Rules? How are you doing reading through the book and following the summer reading plan provided?
- Would you rather experience life day by day, as we do, or get a road map that lays out your entire life at once? Explain your choice.
- Read Exodus 14:15.
- Rule #5 was about standing still and waiting on the Lord, but Rule #6 tells us to move on by taking the next step. Do you see a contradiction? Why or why not?
- When trying to decide what to do next in a situation, what are some of the tools you use to help figure out the next step?
- Is "trusting your gut" a reliable guide for taking the next step? Why or why not?
- Are you currently facing a situation that requires you to move forward? What is your plan for taking that next step?
- Our ability to take the best next step is greatly affected by our relationship with God. How are you doing with your daily quiet times? What can be done to help strengthen them?

Prayer: Pray for boldness to move forward in faith.
