**S** Scripture  
**O** Observation  
**A** Application  
**P** Prayer

### Deeper faith starts with a heart that is seeking God.

- What is something you're REALLY in to?
  - How do you see yourself being driven further into whatever that is?
- What was it like when you first came to Jesus?
  - In what ways have you been driven to go deeper in your faith since then?

**Read:** Mark 12:28

- Are you familiar with this passage? What do you think of the religious teacher's question?

**Read:** Mark 12:29-31

- Summarize the two greatest commandments. How do they play out in life?
- Walter talked about what Jesus meant by "heart, soul, mind, and strength." What did they mean to the people of Jesus' day?

**Read:** Mark 12:32-33

- Where's the connection between "heart, soul, mind, strength," and "seek, study, serve?"
- What are some ways you can "seek God?" Which one will you do this week?

*Leaders Note: This would be a good time to walk your group through the Next Step Cards. We will be using them for three weeks on Sundays and in our small groups.*

**Prayer:** Pair up and pray that God will deepen your partner's faith this fall.
