Jesus's word – 3/15

- S** Scripture

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- How well do you do at trusting people's words? What makes it more or less difficult?
- Read 2 Kings 4:24-36 and John 4:46-54.
- What differences and similarities do you see in these passages?
- How does the John passage show a sign that, just like Jesus's wine is superior, Jesus is superior to the prophets?
- Why do you think the official believed Jesus? How does this impact how we interact with others?
- What do you think your response would have been to Jesus if you were the royal official? Why?
- Do you believe the official's response to Jesus impacted Jesus's actions? Why or why not? What is the significance of that belief?
- The official's entire household believed because of what Jesus did. In your life, what caused you to believe?
- Is what first caused you to believe still what sustains your belief, or have you needed more signs and wonders?
- How can we be better at trusting God's word?

Prayer: Pray that we have the faith to take God at His word and that our lives would also point others towards believing God's word.
