### Chatter or Change? (10.28.18)

**S** Scripture  
**O** Observation  
**A** Application  
**P** Prayer

#### **Main Point: Are you changing people's hearts, or just adding to the chatter?**

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- Why do you use social media?
- Why is it important that we examine why we surround ourselves or involve ourselves in the things that we do?

**Read:** Psalm 34:11-14 and 141:3-4, Colossians 4:5-6, and Philippians 4:8

- Do you consider whether your posting (or talking to others) is helping to bring about change, or if it's just adding to the chatter?
- How is evil overcome by good?
- Do you know someone that you would describe as having conversation that is "gracious and attractive?" What do they do that makes them fit that description?
- David says to work to maintain peace. What does that look like?
- What do you do to help control your interactions on social media?
- Have you ever prayed for God to take control of what you say and guard your lips?
- How will you be a positive change on social media this week?

**Prayer:** Pray that you use social media in a way that makes a difference.
