### You Provide for Me (6.14.20)

**S** Scripture  
**O** Observation  
**A** Application  
**P** Prayer

#### **Sheep trust the shepherd to supply them.**

- What's one thing that stood out to you this week? Why do you think it grabbed you?
- What in nature reminds you of God's creative character?
- What makes you feel like someone is in control?
- How do you focus on something in the midst of turbulence?

#### **Read:** Psalm 23

- What rejuvenates you when you're weary?
- Have you experienced a time where it felt like verse 2, "he *makes* me lie down in green pastures?"
- How does it feel when your name is on the line? How does God leading on the right paths for his name's sake make you feel?
- When you have walked through the darkest valley, have you felt God with you? Why or why not?
- What does it mean to you to fear no evil? How do we do that?
- How is God a host to us? What does that look like in our lives?
- What does *hesed*, or covenant loyalty, mean to you?

**Prayer:** Pray that you will trust in God's provisions.
