

And Then What? (8.14.22)

S Scripture
O Observation
A Application
P Prayer

Faith is taking the next step, even when you don't have all the details.

- What was your takeaway from Tim's story on Sunday? Were you around during the building process?

Read: Acts 28:17-20

- Paul wastes no time here in presenting the Gospel. Have you ever presented the Gospel to someone? What was that like?

Read: Acts 28:21-24

- Walter noted on Sunday that although God had performed miracles through Paul, in this situation, Scripture was deemed enough to bring about faith.
 - Do you think it would be easier to believe if you witnessed a miracle?
 - Why do you think God doesn't do miracles more often?

Read: Acts 28:25-28

- What held the people back from believing in Jesus?
- How do you listen to God? What do you do when you want to hear from him?

Read: Acts 28:30-31

- "And then what??" What do you believe is next for our church?

Prayer: Pair up, and then pray for your partner to boldly take steps of faith, especially when they don't have a clear understanding of how things will turn out.
