

# The Core

Jesus is Lord – 1/3/16

**S** Scripture  
**O** Observation  
**A** Application  
**P** Prayer

- What's one idea from the message that stood out to you? Why do you think it grabbed you?
- What do you think of the statement, "What you believe should change how you behave, but how you behave always reveals what you believe?"
- Read John 1:49, 6:69, 11:27, 20:18, 25, and 28, and John 21:7.
- Why do you think John shows a progression in the titles given to Jesus?
- The Romans said, "Caesar is Lord." Christians should say, "Jesus is Lord." Fill in the blank "\_\_\_\_ is Lord" for what keeps you from keeping Jesus in His proper place.
- How have you done this week with the challenge of asking, "Does this please my Master?" when you make your choices?
- Read Philippians 2:5-11.
- What can we learn from this passage in how to live out our lives?
- How do you feel you do in respect to living out "Jesus is Lord?"
- How do you feel the Church does living out "Jesus is Lord?" What does the Church do well? What can be improved?
- What are some dangers of extremism in behavior that can come from the living out "Jesus is Lord," if any?

**Prayer:** Pray that you will focus on keeping "Jesus is Lord" at the Core of how you live.
