When you follow Jesus you are a part of the Kingdom of Priests, the holy nation.

- Who did you go out with on Sunday (or who do you plan to have a meal with this week)?
- Wally talked about different ways we gather around a table (hanging out with friends, reunions, pot lucks, family dinner, weddings). Which one (or one he didn't mention) is your favorite?
- What do you remember most about gathering at that table? Share a story.

Read: Read Exodus 19:3-8

- Why do you think God starts his question to Israel with "You yourselves have seen"?
- How does it make you feel that you are a part of God's treasured possession?

Read: Read Exodus 24:1-11

- What does God's request to have his people come near say about God's relationship with them?
- Moses set up stone pillars to represent Israel in the covenant. What types of things do we use like this in our lives?
- What was the peoples response to what God was asking?
- Israel enter into a deeper covenant with God and become his **Kingdom of Priests**. Wally talked about the roles that priests played—helping be a go-between for Israel to God, helping them to worship/engage with God. What are some ways that we could live out that **Kingdom of Priests** role in our lives now?
- How does having this responsibility make you feel?
- What do you need to change in your life to be better at seeking, studying, and serving?
- What is something you and your group can do to go and serve someone this month?

Pray: Pray that these verses will challenge your group to live our your **priestly** life.
