### **There is peace at God's table.**

- Who did you go out with on Sunday (or who do you plan to have a meal with this week)?
- Tell us about a time when you've had a difficult conversation while sitting across from someone at a table.
- How familiar are you with Psalm 23? Where have you encountered it?

**Read:** Psalm 23:1-3

- What do you know of shepherds, either today or back during Bible times?

**Read:** Psalm 23:4-5

- What are sheep doing at this table that God has prepared? Why does the imagery seem to switch at this point in the Psalm?
- How would you feel if you were eating a meal, while surrounded by all the worst and most traumatizing people from your entire life?
- How does David feel, being surrounded by his enemies? Why?

**Read:** Psalm 23:6

- What was the Psalmist expressing here? What does it mean to "dwell in the house of the Lord forever"?
- What will you do THIS WEEK to seek peace with an opponent/enemy in your life?

**Pray:** Pray that your group members can find the peace that's offered at God's table.
