The Table is where God meets needs.

- What do you think of when you think of tables?
- This week we talked about how God uses table to meet needs, both your own and others. How have you seen this play out in your life?
- Which layer of the pyramid do you see people struggle with the most?
- Which layer do you have the most trouble with?

Read: Luke 5:27-32

- Which side of this conversation do you find yourself most often?
- What's the hardest part of meeting at the table with God and others?

Read: Luke 22:14-20

- Jesus spent three years, with his disciples preparing them to take over post crucifixion. Who in your life has been pouring in to your Who are you pouring into?
- Whom do you need to invite to your table so that they end up at Gods table?

Pray: Pray for connections around a table this week where can help others connect to God and the hope that he gives. Pray for a specific person you know you should connect with.
