Jesus is revealed at The Table.

- Who from church have you shared a meal with this week?
- Tell us about a time when you gathered with close friends around a table.
- Where have you experienced deep community and connection at our church?

Read: Luke 24:13-34

- How would you have felt if you were one of these two disciples?
- Why do you think God chose to open their eyes at the table?

Read: Acts 2:42-47

- What does it look like to be devoted to fellowship?
- What's your biggest takeaway from this entire sermon series on The Table?
- What can you do this week to devote yourself to fellowship?

Pray: Pray for opportunities to practice hospitality this week, and for energy to devote yourselves to fellowship!
